## PLAINTIFF'S OBJECTIONS TO DEFENDANTS' EXHIBITS

Plaintiff objects to Exhibit 6 concerning probation revocation or underlying criminal charges. Those charges did not result in a felony conviction and are not admissible for any purpose under Fed. R. Evid. 609 and, to whatever extent the records bear any relevance to the case.

Plaintiff objects to Defendants' designation of "any attached exhibits" to the parties' depositions due to not knowing what exhibits will be offered.

Plaintiff objects to the use of any polygraph examination evidence on the basis that it is unreliable, unauthenticated, and irrelevant.
